~~SECRET~~ NOFORN

SOLO TASKER

5 July 1988

1. BACKGROUND: In previous sessions, the presence of a "wide, dark road or airstrip" was conceptually perceived with "hills in the distance."

2. COORDINATES: 179010/864892.

3. ESSENTIAL ELEMENTS OF INFORMATION: Reaccess what was conceptually perceived as the "wide, dark road or airstrip" and describe the following:

- a. The essence and nature of the "wide dark road, airstrip."
- b. Observe and describe the nature and purpose of the activity at this location.
- c. Prepare sketches, conceptual representations in support of your findings.
